Syndromes Without A Name.

(SWAN) Australia.

About SWAN

This brochure initiative received grant funding from the Australian Government.

This brochure is in Easy English. Made by Access Easy English.

We are parents.

We help other parents that may

- worry
- feel alone
- be scared
- do not know how to feel.

We have a child that is

- sick
- or
- has a disability.

No body knows why.

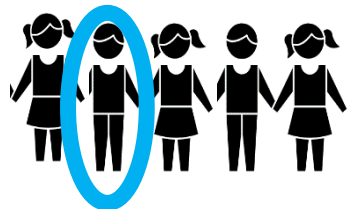

We do things with other SWAN families.

Or

We do things with other SWAN parents.

Very few children are sick like this.
