Your other children

SWAN Australia acknowledges the support
of the Victorian Government

SWAN children have lots of needs.

Your other children may also feel

- angry
- alone
- sad.

Your other children have needs too.

You can help your other child. Like

- spend time with this child too
- listen to them
- help them express how they feel
- give them information they ask for.

Your other children may

- feel scared
- feel ashamed
- worry.

- find a group they want to go to.
